## Description

Selling on behalf of a neighbour due to bereavement.

It is an honest 1998 MGF with cloth seats and standard trim all around.

Bodywork is tidy and straight. There are some areas of paint bubbling, but no appreciable corrosion. I have not looked in detail underneath, but there is no reason to expect any problems.

Interior is tidy and surprisingly unworn for a 25 year old car.

The car drives and handles very well, with no rattles or other noises.

Engine had a major overhaul in August 2020 at 84,084 miles.

Starter motor was replaced in May 2021 at 85,0731 miles.

Annually serviced - history back to 2007.

Sold with 12 months MOT.

£1,500 ono. [See less](#)
