

CHAIRMAN'S SHAKEDOWN RUN MARCH 25TH 2012

Welcome to my fourth Chairman's Run for the traditional lunch at the Newcastle Hotel in Rothbury. Once again I have tried to find a new route which without enlisting the assistance of the Highways Department to construct a few new stretches of tarmac across Northumberland is not easy. I have however managed to link together some familiar stretches of road with a few new pieces, and hope you enjoy what will be my last run. In the event of a problem my mobile number is 07711 472404

Please take care as there will be new lambs on some of the un-fenced sections, and always close the gate after you even if you see another car in the distance, as they may think the gate was open and not close it after passing through. There are a few questions to be answered on the way to give it a slight competitive edge, so bring the answers in to lunch with you. Have an enjoyable run, and drive carefully.

Zero your trip as you leave the car park on to the A696
