

## MG Northumbria June 2018 Run

Welcome to our run which will again finish in the Exhibition Park with lunch at Wylam Brewery out tables are booked for 2.30pm as last year. The route is all on tarmac roads however as with a lot of roads in Northumberland there are a few pot holes, but nothing like as many as there were when we did the first route a few months ago. We hope you have an enjoyable run, but if you get lost give us a call on 07711 472404. *Zero your speedo as you leave.*
